In an effort to better understand who/whom is traversing our streets door to door, it is hereby mandated that you or your company fill out the below information in order to approach our residents with Sales, Utility, School, Church or any other proposal. Hours of door to door solicitation will be from 10am to 30 minutes before sunset, Monday-Saturday. We request that on Sunday our families have their privacy and family time. We also request you honor our neighborhood rules, and be kind and respectful to our residents. If they have a no solicitation sign, please honor their request. Please ensure each and every person in your group has a name badge with their name and company they represent. It is also suggested they wear some type of yellow or orange vest for their own protection. This also gives everyone an idea of what they are doing. Marked cars are always welcome. If you have a company sign, please use it. If you are stopped by one of our security officers and asked for your drivers license please respectfully oblige. Thank you, Idlewood POA.
